

2020 Memorial Bursaries

Tolko High Level Lumber provides the Fort Vermilion School Division No. 52, annually, with two memorial bursaries of \$1000.00 each. In 2013 we dedicated these bursaries in the memory of two workers who tragically lost their lives while at work.

These bursaries are open to all students registered in the Fort Vermilion School Division continuing their education in forestry or related studies, trades or technical training, sciences or general academic studies. The recipients must attend a technical school, university or such tertiary accredited institution. Preference will be given to graduating students who work for Tolko Industries Ltd. or are the children of employees of Tolko Industries Ltd.

In 2013 our graduating students were the first recipients of these prestigious awards,

The Greg McDowell Memorial Bursary

The Frank Unrau Memorial Bursary

Safety continues to be one of our *Strong Values* and guides each and every one of us at Tolko. Our employees are our most valuable resource and nothing is more important than their personal safety.

Please note that the deadline to submit your application for the 2020 graduating year is May 31st. Applications are available at all High Schools in the Fort Vermilion School Division No. 52.

Please forward your application to:
