

HIGH LEVEL LUMBER DIVISION

2022 Tolko Bursaries

With state-of-the-art operations across western Canada, Tolko is a leading manufacturer of a wide range of forest products for customers around the world.

Engaging with the communities where we operate is an essential part of our business, and we are committed to building strong relationships and working collaboratively with those communities. Whether we're providing jobs, volunteering, or giving through donations, we work to make our communities stronger and more vibrant through active participation.

To continuing growing the future in our community, Tolko High Level Lumber annually provides the Fort Vermilion School Division No. 52 with two bursaries of \$1000.00 each.

These bursaries are open to all students registered in the Fort Vermilion School Division continuing their education at an accredited tertiary institution such as a university or technical college.

Preference is given to the following:

- Students who work for Tolko Industries Ltd. or are the children of employees of Tolko Industries Ltd.
- Students pursuing education in forestry or related studies, trades or technical training, sciences, or business studies.
- Students with plans to return to the area on completion of their studies.

Please note that the deadline to submit your application for the 2022 graduating year is May 27th. Applications are available at all High Schools in the Fort Vermilion School Division No. 52.

Please forward your application to:
