SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of 1250 The Fort Vermilion School Division

presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair

To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

To the Board of Trustees of Fort Vermilion School Division:

Opinion

We have audited the financial statements of Fort Vermilion School Division (the "School Division"), which comprise the statement of financial position as at August 31, 2023, and the statements of operations, remeasurement gains and losses, changes in net financial assets, cash flows and the related schedules for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the School Division as at August 31, 2023, and the results of its operations, its remeasurement gains and losses, changes in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the School Division in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the School Division's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the School Division's financial reporting process.

T: 780.986.2626 F: 780.986.2621

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
 forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Division's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School Division's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the School Division to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SQUARE METRES

School buildings	45,313.0	45,313.0
Non school buildings	5,851.3	3,397.3

Notes:

Custodial: All expenses related to activities undertaken to keep the school environment and maintenance shops clean and safe.

Maintenance: All expenses associated with the repair, replacement, enhancement and minor construction of buildings, grounds and equipment components. This includes regular and preventative maintenance undertaken to ensure components reach or exceed their life cycle and the repair of broken components. Maintenance expenses exclude operational costs related to expensed Infrastructure Maintenance Renewal (IMR), CMR & Modular Unit relocations, as they are reported on separately.

Utilities & Telecommunications: All expenses related to electricity, natural gas and other heating fuels, sewer and water and all forms of telecommunications.

Expensed IMR, CMR & Modular Unit Relocation & Lease Payments: All operational expenses associated with non-capitalized IMR and CMR projects, modular unit (portable) relocation, and payments on leased facilities.

Facility Planning & Operations Administration: All expenses related to the administration of operations and maintenance including (but not limited to) contract administration, clerical functions, negotiations, supervision of employees & contractors, school facility planning & project 'administration', administration of joint-use agreements, and all expenses related to ensuring compliance with health and safety standards, codes and government regulations.

Unsupported Amortization & Other Expenses: All expenses related to unsupported capital assets amortization and interest on unsupported capital debt.

Supported Capital & Debt Services: All expenses related to supported capital assets amortization and interest on supported capital debt.

School Jurisdiction Code: 1250

1. AUTHORITY AND PURPOSE

Fort Vermilion School Division (the "School Division") delivers education programs under the authority of the *Education Act*, 2012, Chapter E-0.3 (formerly *School Act*).

The School Division receives funding for instruction and support under Ministerial Grants Regulation (AR 215/2022). The regulation allows for the setting of conditions and use of grant monies. The School Division is limited on certain funding allocations and administration expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the CPA Canada public sector accounting standards ("PSAS"). The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

a) Cash and Cash Equivalents

Cash and cash equivalents include cash and investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These short-term investments have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

b) Accounts Receivable

Accounts receivables are recognized at the lower of cost or net recoverable value. A valuation allowance is recognized when recovery is uncertain.

c) Tangible Capital Assets

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset, and asset retirement cost.
- Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.
- Work-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.
- Sites and buildings are written down to residual value when conditions indicate they no longer contribute to the ability of the School Division to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. For supported assets, the write-downs are accounted for as reductions to Spent Deferred Capital Contributions.
- Buildings that are demolished or destroyed are written off.
- Tangible capital assets with costs in excess of \$5,000 are capitalized.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

- Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the School Division are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the School Division's rate for incremental borrowing or the interest rate implicit in the lease.
- Tangible capital assets are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Buildings	10 to 40 years
Equipment	5 to 20 years
Vehicles	5 to 10 years
Computer hardware and software	5 years
Work in progress	not amortized

d) Deferred Contributions

Deferred contributions include contributions received for operations which have stipulations that meet the definition of a liability per PSAS PS 3200. These contributions are recognized as deferred contributions by the School Division once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred contributions are recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

Deferred contributions also include contributions for capital expenditures, unspent and spent:

Unspent Deferred Capital Contributions

Unspent Deferred Capital Contributions (UDCC) represents externally restricted supported capital funds provided for a specific capital purpose received or receivable by the School Division, but the related expenditure has not been made at year-end. These contributions must also have stipulations that meet the definition of a liability per PS 3200 when spent.

• Spent Deferred Capital Contributions

Spent Deferred Capital Contributions (SDCC) represents externally restricted supported capital funds that have been spent but have yet to be amortized over the useful life of the related capital asset. Amortization over the useful life of the related capital asset is due to certain stipulations related to the contributions that require that the School Division use the asset in a prescribed manner over the life of the associated asset.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

e) Employee Future Benefit Liability

The School Division provides benefits including allowing employees to accumulate holidays and carry them forward into the future pursuant to certain contract agreements. The School Division accrues its obligation and related costs under employee future benefit liabilities. The future benefit cost is determined using carry-forward holidays salary cost as at August 31, 2023.

f) Asset Retirement Obligations

Asset retirement obligations are legal obligations associated with the retirement of a tangible capital assets (TCA). Asset retirement activities include all activities relating to an asset retirement obligation. These may include, but are not limited to;

- Decommissioning or dismantling a tangible capital asset that was acquired, constructed or developed;
- Remediation of contamination of a tangible capital asset created by its normal use;
- Post-retirement activities such as monitoring; and
- Constructing other tangible capital assets to preform post-retirement activities.

A liability for an asset retirement obligation is recognized when, as at the financial reporting date:

- (a) There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- (b) The past transaction or event giving rise to the liability has occurred;
- (c) It is expected that future economic benefits will be given up; and
- (d) A reasonable estimate of the amount can be made.

When a liability for asset retirement obligation is recognized, asset retirement costs related to recognized tangible capital assets in productive use are capitalized by increasing the carrying amount of the related asset and are amortized over the estimated useful life of the underlying tangible capital asset. Asset retirement costs related to unrecognized tangible capital assets and those not in productive use are expensed.

g) Environmental Liabilities

Contaminated sites are a result of contamination of a chemical, organic or radioactive material or live organism that exceeds an environmental standard, being introduced into soil, water or sediment. The liability of recognized net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all of the following criteria met:

- an environmental standard exists;
- containment exceeds the environmental standard;
- the School Division is directly responsible or accepts responsibility;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

h) Other Environmental Liabilities

Other environmental liabilities are recognized when all the following criteria are met:

- (a) School Division has a duty or responsibility to others, leaving little or no discretion to avoid the obligation;
- (b) The duty or responsibility to others entails settlement by future transfer or use of assets, or a provision of services at a specified or determinable date, or on demand;
- (c) The transaction or events obligating the School Division have already occurred; and
- (d) A reasonable estimate of the amount can be made.
- i) Other Assets

Intangible assets, assets acquired by right, works of art, historical treasures, collections, certain land, and construction-in-progress managed by Alberta Infrastructure are not recognized in these financial statements.

j) Operating and Capital Reserves

Certain amounts, as approved by the Board of Trustees, are internally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Board of Trustees. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Net Assets.

k) Revenue Recognition

All revenues are reported on the accrual basis of accounting. Cash received for which goods or services have not been provided by year end is recognized as unearned revenue and recorded in accounts payable and other accrued liabilities.

Government transfers

Transfers from all governments are referred to as government transfers.

Government transfers and associated externally restricted investment income are recognized as deferred contributions if the eligibility criteria for use of the transfer, or the stipulations together with the School Division's actions and communications as to the use of the transfer, create a liability. These transfers are recognized as revenue as the stipulations are met and, when applicable, the School Division complies with its communicated use of these transfers.

All other government transfers, without stipulations for the use of the transfer, are recognized as revenue when the transfer is authorized, and the School Division meets the eligibility criteria (if any).

Donations and non-Government contributions

Donations and non-government contributions are received from individuals, corporations, and private sector not-for-profit organizations. Donations and non-government contributions may be unrestricted or externally restricted for operating or capital purposes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

k) Revenue Recognition (continued)

Unrestricted donations and non-government contributions are recognized as revenue in the year received or in the year the funds are committed to the School Division if the amount can be reasonably estimated, and collection is reasonably assured.

Externally restricted donations, non-government contributions and realized and unrealized gains and losses for the associated externally restricted investment income are recognized as deferred contributions if the terms for their use, or the terms along with the School Division's actions and communications as to the use, create a liability. These resources are recognized as revenue as the terms are met and, when applicable, the School Division complies with its communicated use.

In-kind donations of services and materials are recognized at fair value when such value can reasonably be determined. While volunteers contribute a significant amount of time each year to assist School Jurisdiction, the value of their services are not recognized as revenue and expenses in the financial statements because fair value cannot be reasonably determined.

Investment income

Investment income includes dividend and interest income and realized gains or losses on the sale of portfolio investments. Unrealized gains and losses on portfolio investments that are not from restricted transfers, donations or contributions are recognized in the Statement of Accumulated Remeasurement Gains and Losses until the related investments are sold. Once realized, these gains or losses are recognized in the Statement of Operations.

I) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed, and services received during the year is expensed.

Allocation of Costs

- Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

m) Pensions

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

The current and past service costs of the Alberta Teachers Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the *Teachers Pension Plan Act*, the School Division does not make pension contributions for certificated staff. The Government portion of the current service contribution to the Alberta Teachers Retirement Fund on behalf of the School Division is included in both revenue and expenses. For the year ended August 31, 2023, the amount contributed by the Government was \$2,027,513 (2022 - \$2,156,356).

The School Division participates in a multi-employer pension plan, the Local Authorities Pension Plan, and does not report on any unfunded liabilities. The expense for this pension plan is equivalent to the annual contributions of \$60,234 for the year ended August 31, 2023 (2022 - \$61,276). At December 31, 2022, the Local Authorities Pension Plan reported a surplus of \$12,671,000,000 (2021 - surplus of \$11,922,000,000).

The School Division also participates in the registered Supplemental Integrated Pension Plan (SiPP). This multi-employer plan provides supplementary pension plan benefits to a prescribed class of employees in addition to Local Authorities Pension Plan or Alberta Teacher Retirement Fund. The expense for this pension plan is equivalent to the annual contributions of \$34,364 for the year ended August 31, 2023 (2022 - \$33,440). There are four employees who are eligible to participate in the plan; all are currently participating.

The school division does not have sufficient plan information on the LAPP/SiPP to follow the standards for defined benefit accounting, and therefore follows the standards for defined contribution accounting. Accordingly, pension expense recognized for the LAPP/SiPP is comprised of employer contributions to the plan that are required for its employees during the year, which are calculated based on actuarially pre-determined amounts that are expected to provide the plan's future benefits.

n) Program Reporting

The School Division's operations have been segmented into operating segments established to facilitate the achievement of the School Division's long-term objectives to aid in resource allocation decisions, and to assess operational performance. The segments are differentiated by major activity as follows:

- **ECS Instruction:** The provision of ECS education instructional services that fall under the basic public education mandate.
- **Grades 1 to 12 Instruction**: The provision of instructional services for Grades 1 12 that fall under the basic public education mandate.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

- **Operations and Maintenance:** The operation and maintenance of all school buildings and maintenance shop facilities.
- **Transportation:** The provision of regular and special education bus services (to and from school), whether contracted or board operated, including transportation facility expenses.
- **System Administration**: The provision of board governance and system-based / central office administration.
- External Services: All projects, activities, and services offered outside the public education mandate for ECS children and students in grades 1-12. Services offered beyond the mandate for public education are to be self-supporting, and Alberta Education funding may not be utilized to support these programs.

The allocation of revenue and expenses are reported by program, source, and object on the Schedule of Program Operations. Respective instruction expenses include the cost of certificated teachers, non-certificated teaching assistants as well as a proportionate share of supplies and services, school administration and instruction support, and system instructional support.

o) Trusts Under Administration

The School Division has property that has been transferred or assigned to it to be administered or directed by a trust agreement or statute. The School Division holds title to the property for the benefit of the beneficiary.

Trusts under administration have been excluded from the financial reporting of the School Division. Trust balances can be found in Note 13.

p) Measurement Uncertainty (Use of Estimates)

Measurement uncertainty exists when there is a variance between the recognized or disclosed amount and another reasonably possible amount. The preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization, useful lives of tangible capital assets, collectability of accounts receivable, estimated employee future benefits, and accounts receivable due from insurance claims not settled at the year-end.

There is measurement uncertainty related to asset retirement obligations as it involves estimates in determining the settlement amount, discount rates and timing of settlement. Changes to any of these estimates and assumptions may result in change to the obligation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

q) Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School Division recognizes a financial instrument when it becomes a party to a financial instrument contract.

The School Division's financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities, asset retirement obligations, and employee future benefits liabilities. Unless otherwise indicated, it is management's opinion that the School Division is not exposed to significant credit and liquidity risks, or market risk, which includes currency, interest rate and other price risks.

Financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of items in the cost or amortized cost upon initial recognition. The gain or loss arising from derecognition of a financial instrument is recognized in the Statement of Operations. Impairment losses such as write-downs or write-offs are reported in the Statement of Operations.

3. CHANGE IN ACCOUNTING POLICY

Effective September 1, 2022, the School Division adopted the new accounting standard PS 3280 Asset Retirement Obligation and applied the standard using the modified retroactive approach with restatement of prior year comparative information.

On the effective date of the PS 3280 standard, School Division recognized the following to confirm to the new standard;

- Asset retirement obligations, adjusted for accumulated accretion to the effective date;
- Asset retirement cost capitalized as an increase to the carrying amount of the related tangible capital assets in productive use;
- Accumulated amortization on the capitalized cost; and
- Adjustment to the opening balance of the accumulated surplus/deficit.

Amounts are measured using information, assumptions and discount rates where applicable that are current on the effective date of the standard. The amount recognized as an asset retirement cost is measured as of the date the asset retirement obligation was incurred. Accumulated accretion and amortization are measured for the period from the date the liability would have been recognized had the provision of this standard been in effect to the date as of which this standard is first applied.

3. CHANGE IN ACCOUNTING POLICY (continued)

Impact on the prior year's financial statements as a result of the change in accounting policy is as follows:

			2022	
		As previously reported	Adjustment recognized	As restated
Stateme	nt of Operations			
	Revenue	60,580,636		60,580,636
	Expense	55,283,687	60,272	55,343,959
	Annual surplus (deficit)	5,296,949	(60,272)	5,236,677
	Accumulated suplus (deficit) at beginning of year	17,148,608	(1,776,497)	15,372,111

4. FUTURE CHANGES IN ACCOUNTING STANDARDS

During the fiscal year 2023-24, School Division will adopt the following new accounting standard of the Public Sector Accounting Board:

- PS 3400 Revenue (effective September 1, 2023) This standard provides guidance on how to account for and report on revenue, and specifically, it addresses revenue arising from exchange transactions and non-exchange transactions.
- PS 3160 Public Private Partnerships

This accounting standard provides guidance on how to account for public private partnerships between public and private sector entities, where the public sector entity procures infrastructure using a private sector partner.

School Division has not yet adopted these two accounting standards. Management is currently assessing the impact of these standards on the financial statements.

5. CASH AND CASH EQUIVALENTS

Cash and cash equivalents include \$nil (2022 – \$3,999,358) in restricted cash advanced by the Holy Family Catholic Regional Division for remediation and restoration of a school site damaged by flooding that was owned by the Holy Family Catholic Regional Division but operated by the School Division.

6. ACCOUNTS RECEIVABLE

		2022		
	Gross Amount	Allowance for Doubtful Accounts	Net Realizable Value	Net Realizable Value
Government of Alberta - Infrastructure	970,087	-	970,087	4,577,123
Government of Alberta – Education	545,748	-	545,748	67,446
Federal government	730,580	-	730,580	649,743
First Nations	-	-	-	344,662
Other	188,607	-	188,607	113,832
Total	\$ 2,435,022	-	2,435.022	<u>\$ 5,752,806</u>

7. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

	2023	2022
Federal government	633,464	596,147
Other salaries & benefit costs	(76,398)	(113,861)
Other trade payables and accrued liabilities	3,173,946	3,399,111
Total	<u>\$3,731,012</u>	<u>\$3,881,397</u>

8. EMPLOYEE FUTURE BENEFIT LIABILITIES

	2023	2022
Accumulated vacation pay liability	88,213	84,929

9. PREPAID EXPENSES

	2023	2022
Prepaid insurance	302,115	263,239
School startup prepaid purchases	372,803	240,249
Other	137,017	32,819
Total	<u>\$811,935</u>	<u>\$536,307</u>

10. NET ASSETS

	202	23	(R	2022 Restated)
Unrestricted surplus	\$	-	\$	-
Operating reserves	4,19	91,646		7,256,653
Accumulated surplus from operations	4,19	91,646		7,256,653
Investment in tangible capital assets	16,0 ⁻	11,976		8,622,244
Capital reserves	1,53	34,534		4,729,891
Accumulated surplus	<u>\$ 21,73</u>	<u>38,156</u>	\$	20,608,788

Included in Accumulated surplus from operations are school generated funds to which the School Division has no claim. Adjusted accumulated surplus represents funds owned by the School Division

	2023		2022
Accumulated surplus from operations	\$	4,191,646	\$ 7,256,653
Deduct: External Services included in accumulated in accumulated surplus		308,120	-
Deduct: School generated funds included in accumulated surplus (Note 14)		443,932	495,780
Adjusted accumulated surplus from operations (1)	\$	3,439,594	\$ 6,760,873

(1) Adjusted accumulated surplus represents funding available for use by the School Division after deducting funds committed for use by the schools and External Services.

11. CONTRACTUAL OBLIGATIONS

	2023	2022	
Building projects (1)	\$ 11,734,328	\$	1,289,513
Building leases (2)	111,600		262,840
Total	\$11,845,928	\$	1,552,353

⁽¹⁾ Building projects: The School Division is committed to capital expenditures of \$11,734,328 for the addition and modernization of a school. It is anticipated that \$11,734,328 of these costs will be funded by capital revenue from Alberta Infrastructure.

⁽²⁾ Building leases: The School Division is committed to lease space for instructional space and staff residences.

Estimated payments required for the next year is as follows:

	Building Projects	Building Leases
2023-2024	\$ 11,734,328	\$ 111,600

12. CONTINGENT LIABILITIES

The School Division is a member of reciprocal insurance exchanges called Alberta Risk Management Insurance Consortium (ARMIC). A portion of the premiums paid each year represents equity contributions to the insurance fund. These payments have been recorded as expenses in the financial statements, as the value of equity is subject to liability claims. Under the terms of its membership, the School Division could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange. The extent of any potential liability cannot be reasonably estimated.

The School Division entered an agreement to provide educational programs and joint use for St. Mary's Elementary School. Under the terms of the agreement, the School Division could become liable for \$5,000,000 if the agreement is terminated.

13. TRUSTS UNDER ADMINISTRATION

These balances represent assets that are held in trust by the School Division. They are not recorded on the financial statements of the School Division.

	2023	2022	
Divisional Bursaries	\$ 8,650	\$ 8,650	
Regional Collaborative Service Delivery (Banker board)	119,986	119,986	
Northern Student Teacher Bursaries Program	230,729	214,585	
Northern Student Teacher Practicum Program	(2,021)	138,458	
Total	<u>\$357,344</u>	<u>\$ 481,679</u>	

14. SCHOOL GENERATED FUNDS

	2023	2022

Gifts and donations	7,415	12,347
Grants to schools	1,003	2
Other sales and services	191,466	122,698
Total gross receipts	895,727	856,161
Total Related Expenses and Uses of Funds	497,855	331,640
Total Direct Costs Including Cost of Goods Sold to Raise Funds	449,720	601,649
School Generated Funds, End of Year	<u>\$ 443,932</u>	<u>\$ 495,780</u>
Balance included in Accumulated Surplus (Operating Reserves)	\$ 443,932	\$ 495,780

15. ASSET RETIREMENT OBLIGATION AND ENVIRONMENTAL LIABILITIES

	2023	2022 Restated (Note 3)
Asset Retirement Obligations, beginning of the year	3,419,916	3,419,916
Liability incurred Liability settled Accretion expense Revision in estimates	(331,835) - 102,598	- - -
Asset Retirement Obligations, end of year	3,190,679	3,419,916

Tangible capital assets with associated retirement obligations include buildings. The School Division has asset retirement obligations to remove hazardous asbestos fibre containing materials from various buildings under its control. Regulations require the School Division to handle and dispose of the asbestos in a prescribed manner when it is disturbed, such as when the building undergoes renovations or is demolished. Although timing of the asbestos removal is conditional on the building undergoing renovations or being demolished, regulations create an existing obligation for the School Division to remove the asbestos when asset retirement activities occur.

Asset retirement obligations are initially measured as of the date the legal obligation was incurred, based on management's best estimate of the amount required to retire tangible capital assets and subsequently remeasured taking into account any new information and the appropriateness of assumptions used. The estimate of the liability is based on third party estimates.

Asset retirement obligations are expected to be settled over the next 20 to 40 years.

16. RELATED PARTY TRANSACTIONS

Related parties are entities consolidated or accounted for on a modified equity basis in the Government of Alberta Consolidated Financial Statements. Related parties also include key management personnel in division and their close family members.

All entities that are consolidated in the accounts of the Government of Alberta are related parties of school jurisdictions. These include government departments, health authorities, post-secondary institutions and other school jurisdictions in Alberta.

	Balar	nces	Transa	actions
	Financial Assets (at cost or net realizable value)	Liabilities (at amortized cost)	Revenues	Expenses

TOTAL 2022/2023	<u>\$1,515,835</u>	<u>\$ 49,189,031</u>	<u>\$50,971,320</u>	<u>\$ 60,234</u>
TOTAL 2021/2022	<u>\$ 4,644,569</u>	<u>\$ 48,582,899</u>	\$53,501,152	<u>\$ 61,276</u>

The School Division and its employees paid or collected certain taxes and amounts set by regulation or local policy. These amounts were incurred in the normal course of business, reflect charges applicable to all users and have been excluded from this schedule.

17. ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

The School Division's primary source of income is from the Alberta Government. The School Division's ability to continue viable operations is dependent on this funding.

18. FINANCIAL INSTRUMENTS

CREDIT CONCENTRATION

Accounts receivable from one funder represents 62% (2022 - 81%) of total accounts receivable as at August 31, 2023. The School Division believes that there is minimal risk associated with the collection of these amounts as they are from government bodies. Allowances for potentially uncollectible accounts receivable are considered each year.

19. BUDGET

The budget was prepared by the School Division and approved by the Board of Trustees on May 18, 2022.

20. COMPARATIVE FIGURES

The comparative figures have been reclassified to conform to the current year's presentation.
