Updates From The Office

"September at Ridgeview Central School has been off to a fantastic start!

Our first spirit assembly brought together students, staff, and parents, fostering a sense of unity and enthusiasm.

The Terry Fox Run/Walk was a heartwarming event, with everyone participating wholeheartedly to support cancer research.

As we move forward, we're excited to analyze our Numeracy and Literacy scores and data, which will guide our program planning.

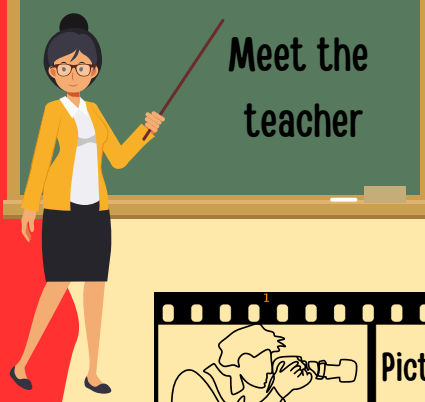

Thank you for the support this month as we get our school and programming up and running! 🎉📊

Mrs. Cardinal & Mr. MacDougall - Asst. Principals

House Team Challenge

Ridgeview will be having their first house team assembly on October 25. All students and staff at Ridgeview have been divided into teams and will be participating in some fun challenges. Parents are welcome to come out and watch the games.

Individual Program Plan (IPP)

It is that time of year where teachers are beginning to work on program planning for individual students. If you child has an IPP, please expect to hear from their teacher before October 25th.

Remember an IPP is a personalized plan specifically designed to meet the needs, goals and learning preferences of your child. This plan is a collaboration between the teacher, parents and possibly multidisciplinary team (MDT) members. The IPP is a working document and should constantly be changing.

If you have any questions or concerns please don't hesitate to contact your child's teacher or Mrs. Cardinal.

Terry Fox Run

Thanks to everyone who participated in the Terry Fox Run. Ridgeview raised \$345.50 for cancer research.

"MAKE" Change

Please note there is a change of date for the School Council Meeting. On the October calendar it is marked for Monday the 21 but it has been moved to Wednesday the 23. Sorry for any confusion this may have caused.
